

**MATTHEW GIBNEY**  
CATHOLIC PRIMARY SCHOOL

**UNDER GOD'S PROTECTION**

Dear Parents

**PREPARATION FOR A POSSIBLE SCHOOL CLOSURE**

I wish to inform parents that in the event of a possible school closure, due to the Coronavirus, the staff of Matthew Gibney Catholic Primary School are prepared with home learning packs and resources.

The home learning resources will be available in a variety of online and offline modes and will cater for students from Kindy to Year Six. Communication about learning resources, learning requirements and support will be via the SEESAW App. All parents are required to ensure they have access to their child's class SEESAW account. Please speak to your class teacher should you have any concerns about this. The Year Four, Five and Six students will access additional learning resources on the class TEAMS site.

Home IT support will be available, should this be required. A link to access home support will be sent home if a school closure occurs.

Thank you for your support as we navigate the challenges ahead in the best interest of all our children.

Regards

Therese Hussey

Principal
