3rd February 2021

Dear Parents.

I hope you are all keeping well during this snap lockdown week.

Our thoughts and prayers are with families and staff who may have been impacted in any way with the fires that are currently causing such destruction on the outskirts of Perth. We pray that everyone is safe and well.

The Premier's announcement today of no further cases of COVID-19 in the community is welcome news. We look forward to a further announcement either tomorrow or Friday about a return to school.

As you are home this week you may like to spend some time deciding on a favourite recipe to share for the P&F 30th Anniversary Cookbook. Please email your recipe, photos and supporting information to: simone.cain05@gmail.com

Ideally, we would like all families to donate one recipe, with an accompanying photograph so all families can be represented in the cookbook. Please email recipes to Simone by February 7th, 2021.

The children may be hearing a lot of news about the coronavirus lock down and the devastating fires in Perth. Such news can be confusing and a little frightening for young children. I have attached a link to a short video from Beyond Blue that may be a useful resource for parents. [Talking to kids about scary stuff in the news.](#)

Further information will be emailed to all families on Friday.

Kind regards

Therese Hussey
Principal
